

DECLARATION

I, Atsuko SANABE, the translator of the priority document Japanese Patent Application No. 2002-365782, declare that I committed translational errors in the translation because of being unfamiliar to the reaction mechanism of the toner constituents, and I have revised Claim 1 according to the advice of an inventor of the application. I do hereby certify that to the best of my knowledge and belief revised Claim 1 attached herewith is a true English translation of Claim 1 of Japanese Patent Application No. 2002-365782.

Signed, this 25th day of December, 2007
